Dear Mrs. Bacová

I am sending you this letter to confirm the offer of participation and cooperation as agreed by Professor Michael Jemtrud to the exhibition entitled "Individually Designed Slovak Residential Architecture." The School of Architecture will help with the distribution of the exhibition in Canada and will house the inaugural show in The David Azrieli Gallery.

The contact person for the coordination of the show is the director of The David Azrieli Gallery; Professor Manuel Baez email is manuel_baez@carleton.ca

I think that the exhibition of contemporary Slovak residential architecture will contribute to a better cultural understanding of Slovak creativity and potentiality in Canada

Sincerely

Marco Frascari, Architetto, Dott. in Arch, Ms in Arch, PhD,
